Copy of letter dated 14th September 1939 from Rao Sahib G.P. Mallappa, Kollegal to the District Medical Officer, Coimbatore.

Reference:- Kollegal, Government Hospital-The Maternity Block-Lingayet Kitchen-construction.

When Mr. Gurukar Madappa and I met the Surgeon-General and yourself, on 19-8-1939 after the opening of the Maternity Block of the Government Hospital, Kollegal, we made the following representation: The major portion of the population of Kollegal consists of Lingayets. As they are conservative and orthodox, they experience much difficulty for want of accommodation to prepare the diet and other necessities for the patients. I proposed to build for Lingayets a kitchen attached to the Maternity Block within its premises. My proposal was duly approved, and further a suitable site within the premises of the Maternity Block was also selected by the Surgeon-General and yourself I will construct the building at my own cost and according to the specifications

of the Public Works Department and present the same to the Government Hospital, Kollegal.

I request you to grant the necessary permission. I will start the construction as soon as I get the permission.

Copy of letter dated 30--3--40 of Sri G.P. Mallappa of Kollegal:

Subject:- Construction of a caste kitchen for Lingayat community in the Government Hospital, Kollegal.

Reference:- Roc.No.307/34 dated 18--3--40 of the District Medical Officer, Coimbatore and No.79/40 dated 25--3--40 of the Medical Officer, Kollegal.

I wish to inform you that I have already collected the required materials for the construction of the Lingayat caste kitchen. Since I have some experience about building work I will start and complete the work myself according to the plan and estimate of the Public Works Department and with the co-operation of the Public Works Department and hand it over to Government. I am prepared to bear the full cost of construction myself.

A copy in blue print of the plan S.No:20-1940 with the addition of a front elevation also may kindly be supplied for my record. I return herewith the file of ten papers as desired by the Medical Officer, Kollegal.

II

Copy of letter Roc.No.307/34 dated 13--10--1939 from the District Medical Officer, Coimbatore to the Personal Assistant to the Surgeon-General with the Government of Madras.

Subject:- Buildings-Government Hospital, Kollegal - construction of a Caste Kitchen for Lingayats- By Sri Rao Sahib G.P. Mallappa of Kollegal- His letter dated 14-9-1939 and the local Medical officer's remarks thereon No.258/39 dated 30-9-1939.

Forwarded and recommended for favour of early sanction.

2. The petitioner wishes to construct the Caste Kitchen at his own cost on the site adjacent to the new Maternity Ward of the hospital between it and the southern compound wall of the Medical Officer's quarters, but the Medical Officer suggests its construction close to the hospital kitchen.

3. During the time of opening of the new maternity ward by the Surgeon-General on 18--8--1939, I remember that it was agreed by the Medical Officer and myself and the Surgeon-General to construct the caste kitchen adjacent to the new maternity ward. I have no objection to the location of the kitchen which I presume is for the special block only.

IV

I forward herewith an estimate amounting to Rs 1555/- for the above work as required.

2. Plans showing the proposed kitchen with a site survey prepared in consultation of the Donor and the Medical Officer, Kollegal are also enclosed.
